cis J. Oakes, the millionaire cal manufacturer, of No. 58 Stone t, who recently secured an abso sensational trial, has again as

his case against the Randall's Island doctors, whom he charges with extreme cruelty and with causing the death of his sister's baby.

Capt. Small any he has some money, and he proposes to spend it in procuring justice. He is very much broken up over the death of the child, following, as it does, closely upon the heels of the tragedy in which his unfortunate sister lost her life.

In speaking of Dr. O'Hare's report that the death of the babe was caused by meumonia, Small said he had never heard that pneumonia could fracture a skull.
